

Empowering Your Business Through Talent Development

The Better Alternative

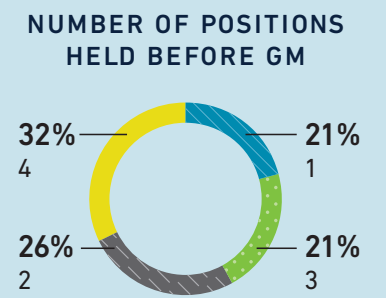

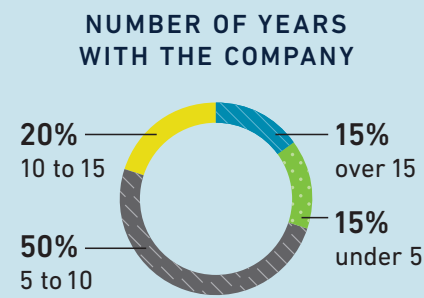

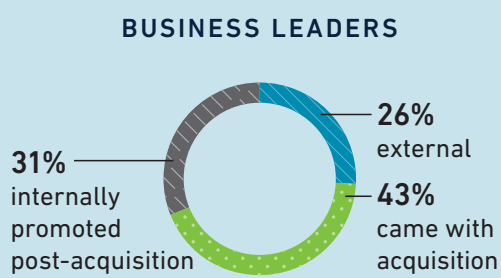

We focus on developing our people. Other acquirers slash their headcount and experience significantly higher turnovers. PE firms fire 58% of portfolio CEOs within the first 2 years, and 73% of CEOs are likely replaced during a fund's investment life cycle.¹

What We Can Do For You

We help our businesses facilitate succession planning, manage generational handovers, and develop business leaders.

Developing Your Talent

We nurture our talent and provide them with opportunities to grow in our organization.

74% of our current business leaders were in place at the time of acquisition or have been internally promoted

Business leaders who were internally promoted post-acquisition worked for the company for

9 years and held 2 prior positions
